Thanks, Monica, tell Carl no worries. Was there a more in-depth letter attached to this? Thanks so much.

Hi Jeremy.

Carl asked me to apologize for not responding to your email below from last week. It did not go to his 'inbox' and inadvertently went to a different folder, so he didn't see it until now.

Yesterday, we received your comments on BLM's proposed Presumed to Conform notice for the Upper Green River Basin in Wyoming. Thank you for sending those to us. Attached is the comment letter that we sent to BLM.

Sorry again for the late response.

Hi Carl -

I wanted to see if EPA might be weighing in on BLM's proposal to exempt a number of activities in the Upper Green River Basin of Wyoming from general conformity requirements? They published their proposal in the Federal Register at the end of December, <https://www.gpo.gov/fdsys/pkg/FR-2016-12-29/pdf/2016-31631.pdf>. Thanks for letting me know, really appreciate it.

Jeremy
